

## AHC15A weekly programmable timer relay

### Description:

1. Digital time switch with weekly program
2. Display: LCD
3. ON/OFF operation: 16 on & 16 off, 18 times pulse
4. 3 year power reserve (lithium battery)
5. ON-OFF switching times
6. Permanent ON/OFF switching
7. 1 channels

### Specification:

Classification	Weekly programmable
Model	AHC15A
Contact Capacity	AC250V 16A
Full timing range	Per week or per day cycle
Rated voltage	AC220V 50/60Hz 85%~110%
Contact form	1Z
Expectancy display	LCD
Electrical life	10 <sup>5</sup> times
Mechanical life	10 <sup>7</sup> times
Operation temperature	-20 °C ~ +50°C
Accuracy	≤ 2s/day
Programmable	16 times/ week or day
Work mode	15 days
