

logistics details

Product title:	Non-tension compression joints LA ... type
Type:	LA 16 (100 SZT./PCS)

Certificates

Design	DIN 46267/2 – concern only the tubular part of terminal
--------	--

Sections

Cross section re [mm ²]	25
Cross section rm/sm [mm ²]	16

mechanical details

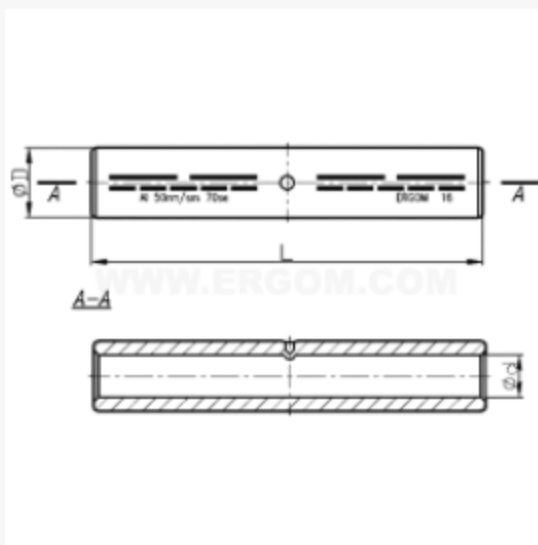

Material	Al.
Surface	uncoated
Grease	contact grease

Electrical data

Voltage [kV]	1÷10
--------------	-------------

crimping

Die code No.	12
No. of crimping wide	1-1
No. of crimping narrow	3-3

**Sizes**

d	5,6
D	12,0
L	55
