

logistics details

Product title:	Non-tension compression joints LA ... type
Type:	LA 50 (100 SZT./PCS)

Certificates

Design	DIN 46267/2 – concern only the tubular part of terminal
--------	---

Sections

Cross section re [mm ²]	70
Cross section rm/sm [mm ²]	50

mechanical details

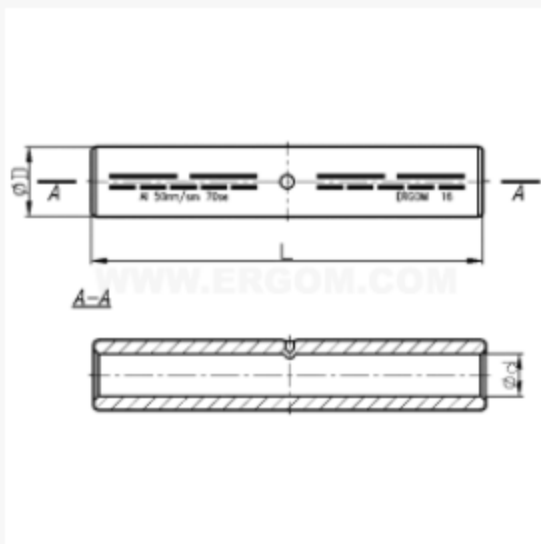

Material	Al.
Surface	uncoated
Grease	contact grease

Electrical data

Voltage [kV]	1÷10
--------------	------

crimping

Die code No.	16
No. of crimping wide	2-2
No. of crimping narrow	5-5

Sizes

d	9,8
D	16,0
L	85
