

logistics details

Product title:	Non-tension compression joints LA ... type
Type:	LA 120 (50 SZT./PCS)

Certificates

Design	DIN 46267/2 – concern only the tubular part of terminal
--------	--

Sections

Cross section re [mm ²]	150
Cross section rm/sm [mm ²]	120

mechanical details

Material	Al.
Surface	uncoated
Grease	contact grease

Electrical data

Voltage [kV]	1÷10
--------------	-------------

crimping

Die code No.	22
No. of crimping wide	3-3
No. of crimping narrow	6-6

Sizes

d	14,7
D	23,0
L	105
