

logistics details

Product title:	Non-tension compression joints LA ... type
Type:	LA 185 (50 SZT./PCS)

Certificates

Design	DIN 46267/2 – concern only the tubular part of terminal
--------	--

Sections

Cross section re [mm ²]	240
Cross section rm/sm [mm ²]	185

mechanical details

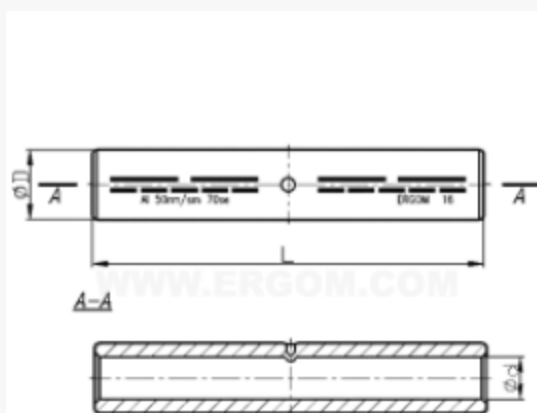

Material	Al.
Surface	uncoated
Grease	contact grease

Electrical data

Voltage [kV]	1÷10
--------------	-------------

crimping

Die code No.	28
No. of crimping wide	3-3
No. of crimping narrow	7-7

Sizes

d	18,3
D	28,5
L	125
